APPENDIX A.

Statement of Senate Resolutions sent up to Government and not approved by Government.

Serial No.	Date of Resolution	Resolution	No. and date of this office reference to Government	Government order not approving the resolution	Reasons, if any, for non-approval, as stated in the Government Order	Remarks
1	5-4-1918	That the courses of studies and ordinances proposed for the Law Course be approved. (The question of the opening of the Law Faculty was considered and decided by the Council on 27th November 1917 and a reference was made to Government in this office No. 3887, dated 4th February 1917.)	No. 7797, dated 25th April 1918.	No. 4359—Edn. 117-17-9, dated 23rd November 1918. "Government have on reconsideration decided to postpone the institution of this faculty in the Mysore University and no further action need be taken in the matter."	As Graduates in Arts of the Mysore University are admitted to the Law Courses of the Bombay University and they have also been recently recognised as eligible for admission to the law degrees of the Madras University there are at present facilities for students from the State to obtain degrees in Law.	
2	5-4-1918	Regarding the scheme of free-studentships ... The Senate resolved— (i) That free-studentships may be awarded not exceeding in number 15 per cent of the total number of students in each of the Arts Colleges exclusive of free-studentships attached to scholarships. (ii) If the total number of free-studentships in a college inclusive of the free-studentships attached to scholarships is less than 33 per cent of the total strength, the Principal shall have power to raise the number of total free-studentships to 33 per cent. *N.B.*—For purposes of calculation two half-free-studentships will count as one free-studentship.	No. 8028, dated 1st May 1918.	Government Order No. 6604-5—Edn. 112-17-7, dated 18th January 19. "Government deem it sufficient for the present to raise the percentage of free-studentships that may be awarded in the Arts College from 33 to 40 per cent, other conditions remaining the same. The Ordinance relating to free-studentships will be amended as follows:— "Provision shall be made for awarding free-studentships to a maximum of 40 per cent of the number of students in each class. They		

				shall be awarded by a committee of the Principal and the Professors of each College who shall take primarily for consideration the poverty of the applicants.	
		(iii) Mahomedan, Pollegar and other backward community students who are entitled to pay only half the usual rates of fees will not be considered as half-free students for purposes of the above calculation.	.....	Government are further pleased to direct that backward class scholarships should carry free-studentships with them in the current and future years.	
3	6-4-1918	"That University Education in the Arts course be made free.	No. 8110, dated 3rd May 1918.	Government Order No. 6093—Edn., 242-17-2, dated 4th Jan. 1919.	Government have carefully considered the proposals and are of opinion that the scheme for scholarships and free-studentships in the University is sufficiently liberal and affords sufficient facilities at the present stage for the majority of the poor and really capable and deserving students to get the benefit of University Education and, the question of affording further facilities in the Arts courses may be held over for future consideration. Further, for a period of three years, free-studentships in the Engineering College have been raised to 50 per cent and the B. Sc. students in Physics and Chemistry in the Central College have been ordered to be treated as free-students for the same period.
4 (a)	16-10-1918	Regarding the introduction of the Compartment System in the Entrance Examination.	No. 3119, dated 28th Oct. 1918.	Government Order No. 4586-7—Edn. 39-18-7, dated 29th Nov. 1918.	The existing rules afford sufficient facilities to deserving students to secure exemption from going through the course again if they fail

APPENDIX A—*concld.*

Serial No.	Date of Resolution	Resolution	No. and date of this office reference to Government	Government order not approving the resolution	Reasons, if any, for non-approval, as stated in the Government Order	Remarks
		That the new Proviso ("Provided also that a candidate who has obtained not less than 40 per cent in one of the groups of (*a*) English and the 2nd language and (*b*) Optional subject, shall not be examined in that group when he appears at a subsequent examination")—added at the end of Ordinance 74 shall also be applied to the Entrance Exami- of 1918.	.....	The Resolution of the Senate accepting the principle of the Compartment System for the Entrance Examination has been passed by a narrow majority of one (16 for and 15 against.)	to get a minimum in one or two subjects as they provide that candidates passing in English and obtaining more than 50 per cent in all the subjects together can be declared to have passed though they may not have obtained the requisite minimum in one of the other groups. In view of the strong difference of opinion that prevails regarding the expediency of allowing the Compartment System in the preliminary Entrance Examination to the University, the amendment proposed does not commend itself to Government.	
4 (*b*)	16-10-1918	That the following be added to Ordinance 103 :—	.....	Government Order No. 4588—Edn. 230-18-12.	The introduction of the Compartment System not having been approved by Government (*Vide* G. O. quoted above).	
		"The fee for one part of the Entrance Examination or the B.A. Examination shall be one half of the fee prescribed for the whole examination.	No. 3600, dated 20th Nov. 1918.	Approved with the exception of the proposals relating to "the fee for one part of the Entrance Examination."		

THOS. DENHAM,
Registrar.
